

The Lawson Chamber of Commerce presents our Annual
Chamber of Horrors:

THE TERROR TRAIN

Support our community and market your business by partnering with the Lawson Chamber of Commerce and the Chamber of Horrors with a 2022 Sponsorship.

The profits from the Chamber of Horrors go towards the Chamber of Commerce Scholarship fund which awards several scholarships annually.

The Chamber of Horrors is a group made up of dedicated and theatrical volunteers who love Halloween. Our facility is donated by Morrow Lumber but there are expenses for insurance, utilities, materials and supplies.
